

East Fork of Virgin River Assessment

The assessment is levied on the basis of the irrigated acreage times a standard rate. The standard rate is calculated by dividing the budget by the irrigated acres. The individual assessment is obtained by multiplying the acreage by the standard rate.

Term of Commissioner

The commissioner's term of duty shall begin April First and extend for one year or until a successor is appointed.

Disbursement of Funds

Funds shall be expended by the State Engineer as set out in the budget by submission of voucher by the water commissioner. Retirement, income taxes, social security taxes, and all other taxes and insurance shall be dispensed as set by statute.

- A. Overexpenditure of any budget item shall be by submission of a voucher which has been signed by the chairman and approved by the distribution engineer of the Division of Water Rights.
- B. Special budget items will be paid on submission of a voucher signed by the chairman and approved by the distribution engineer of the Division of Water Rights.

Reports

The commissioner will submit four copies of his annual report to the Division of Water Rights by March First of each year. Other reports will be submitted as specified by the water users on a current basis.
